

Sept. 1, 2013

To the Sullivan family,

My name is Bart Campbell and I go way back with the Sullivan + Christy family.

I graduated from C.H.S. in 1946 + had known the Christy family for many years. Mr. Christy had always told me I would have a job at American Ins. + Loan when I graduated. I majored in secretarial work in high school + didn't plan to go to college.

Mr. Christy found me a job with Mr. Lloyd Jell the Veteran Service Officer when I graduated. In Sept. 1946 there was an opening at the office + that is when I started working with Sully. I worked at the American Ins. + Loan until May 1, 1950 when Phil Campbell + I bought Hill's Flower Shop. Phil + Sully became very good friends thru the Lewiston Gyces + other organizations.

We skied at Brundage Mtn. in McCall, Id for 34 yrs. + enjoyed visits with Sully + Dee at their McCall home. (over)

Sully kept in touch with letters + clippings, + always a joke or two + pictures. His sense of humor was unmatched.

I'm sorry we didn't make connections on our March, Birthdays this year. His 90th was special.

My sympathy goes out to all the family.

Love + prayers,
Barb Campbell
